

Free FortiSASE Services on FortiAP 431F for the rest of 2024!

Customers who purchase a FortiAP 431F can benefit from Fortinet's Free Thin Edge SASE offering until the end of 2024.

Fortinet's Thin Edge SASE solution provides unique agentless comprehensive protection and simplified management for Thin Edge locations (home office, retail stores, IoT/OT, ATM, etc.)

FortiSASE secures access to the internet and corporate applications from the Thin Edge with cloud-delivered AI-powered security to protect from malware, ransomware, and zero-day cyber threats without any agents.

FortiSASE offers cloud-delivered management of FortiAP devices with zero-touch provisioning, removing the need for local on-site administrative staff and management costs.

To redeem this promotion, customers will first have to acquire the following:

- FortiAP 431F
- Associated support contract
- Optional power solutions
